

Phantom Flyers Guest Flyer Policy

The Phantom Flyers RC Club permits non-member guests to fly at the field for a limited number of guest flight days. A single guest flight day is defined as any number of flights on any number of aircraft which occur during a single date of flying. A maximum of three (3) guest flight days are permitted per year for any individual.

Non-member flying as part of any open, organized club event or fly-in does not count toward the limit of guest flight days.

The following conditions **MUST** be met for each guest flight day.

- 1) At least one Phantom Flyers RC Club member must be present at ALL times.
- 2) The guest flyer must show proof of current AMA membership to the club member.
- 3) All field safety and usage rules must be obeyed.
- 4) The guest flyer must sign and date this form thus indicating their agreement and understanding of these conditions and of the Hold Harmless Statement shown below. Any flyer under the age of eighteen must have this form signed by a parent or legal guardian.

Please note: Guest flying privileges may be immediately revoked at any time and by any Phantom Flyers R/C club member for repeated violation of the field safety rules or for inappropriate behavior or acting or flying in an unsafe manner.
