

Self-Subscribing to the Phantom Flyers RC Club Mailing List

Subscribing to the club mailing list is advised for all club members. The procedures to self-subscribe and to maintain the subscription are described below.

Note that membership subscriptions are moderated, and are limited to current and past members, with occasional exceptions. Please use only email addresses on record with the club secretary. Contact the club secretary for any changes or additions (a ‘CC’ to the webmaster is also recommended).

The list server form is found at the following address:

http://phantomflyersrc.com/mailman/listinfo/membership_phantomflyersrc.com

Only one entry is required on this form! Next to the text that says “Your email address”, simply enter your email address.

Example:

Your email address:	<input type="text" value="joe_flyer@myisp.com"/>
Your name (optional):	<input type="text" value="Joseph D. Flyer"/>

The remainder of the form is optional, although entering your name is suggested to streamline the moderation process. You can choose a password, or the system will generate one for you automatically. The process can be repeated for alternate mailing addresses you may desire (e.g., work and home).

IMPORTANT:

The system will send a confirmation email to you. You MUST reply to the confirmation email per included instructions to complete the subscription process!!

Please make sure ahead of time that the confirmation message from phantomflyersrc.com will not be rejected by a spam filter!

IMPORTANT:

Please save the automatically generated messages sent to you. They contain valuable information and instructions. Printing them is probably a good idea, too.

Please use the “unsubscribe” option on the page if you no longer wish to receive club mailings. Also, if your email address changes, you can unsubscribe to the old one and subsequently subscribe again to the new one.

If you still have any questions about these procedures, please contact the webmaster at webmaster@phantomflyersrc.com. Thanks!
