Phantom Flyers Club Meeting Minutes

June 17, 2019

No meeting held due to the field being flooded.

GSLMA Report

(supplied by Harold Weaver)

Greetings.

Attached is the Financial Position and Membership report as of June 30, 2019

Flying permit notes: At the end of June, 2019 there were 66 flyers from last year through June that have not renewed their flying permits for 2019. The loss has been partially offset by 32 new flyers.

Loss of revenue is almost \$2,000 on these "lost" flyers. The 66 lost flyers represent over 30% of the permits issued through the end of June last year. In a business setting a 30% employee turnover ("lost" Flyers) is not good.

Would it be possible for the club representatives to follow up with their members for renewing Buder permits?

Of the 66 lost flyers, there were 34 that were new flyers in 2018. It appears that they are one year and done. Why did they not return?

A side note, I will not be able to process permits the last two weeks of this month, but I should have access to email. Expect the August Treasurer's report to be ready after the August meeting.

The Flood of 2019 and the clean up

The waters receded so Jan Jansen and Don Grzina made the call to arms or should I say brooms and shovels! The work included spot mowing, debris removal and container decontamination along with some house keep/spring cleaning of it. The dead vegetation was burnt and I believe the smoke help keep the biting flies and buffalo gnats away! Note the waterline marked by the debris in the fence.

Elfrink Lake Float Fly June 29, 10:00 – 1:00

My wife and I attended the Elfrink Lake Float Fly, yes she loves the road trip part but hates the heats and bugs so she stayed in the truck. This was my first time there and it is a really nice location and the people there were very welcoming.

Just for the record I don't own a float plane (YET) so I attended for support and take pictures!

2019 Horizon Hobby Aerotow

Ed White, Brian Molloy, Larry Anderson and Pete George made the trip to AMA field in Muncie, Indiana to attend the 2019 Horizon Hobby Aerotow.
