Christmas Dinner			

Warmer weather is finally here and we can start enjoying our great field more!

Based on the conversation at the field (3/15), with Jack, Don and Jose, I got an idea to do a design and build article for a future installment in the newsletter. Nothing complicated and hopefully something that everyone can try.

NEXT CLUB MEETING IS: **04/13/2015**

Articles, pictures and tech notes for publishing in the Carrier Wave are always appreciated.

Let us know what you are building, repairing or flying!

Send them to:

Thanks!!
