Nov 2014

Upcoming Events/Important Notices

- 20 October, Club Meeting, Mark Twain Hobby**
- 17 November, Club Meeting, Mark Twain Hobby**
- ?? December, Christmas Party, ???**

Articles, pictures, and tech notes for publishing in the Carrier Wave are always appreciated. Please submit articles a week and a half before the meetings. Send pictures, preferably in JPEG format, in separate files from text files. Text should be in MS Word format, simple text file format, or some format that MS Word can read.

Phantom Flyers R/C Club October 20, 2014 Meeting Minutes

The meeting was called to order at 7:02 pm by the Club President, Ed White. There were 13 members in attendance and no new members. The meeting was held at Mark Twain Hobby Shop.

Secretary's Report

Previous Meeting Minutes were approved. Don Grzina and Bill Haines reported that they did not receive the Carrier Wave.

Field Manager's Report

- Don reported that the locks have all been lubricated and are functioning well.
- We will still have to cut the grass 1 to 2 more times before the year's end.
- It was reported that we are short of oil for the mowers. It was further identified that the green mower is low on oil and there is a spot of oil under the mower. Don Albert suggested that the filter may be leaking as it has in the past.
- Runway sealing was discussed. It is too late to do it this season and we will have to do so in the spring. Don Albert suggested that we may need new tires on the trailer to support the 2,800 pound tote, that the current tires are probably not rated for that kind of load. The trailer may also need new plates. Renting a trailer for the sealing job was suggested instead of replacing tires and licensing costs. Also considered was getting rid of the trailer and storing it in the container now that we have a good locking system.
- It was suggested that the latrine needs to be painted in the spring. Don Grzina said it would be pumped out one more time this year.
- We are waiting for member Jack Buydos to get back to the club on shingles for the roof. It is too late in the year to shingle the roof this year.

Activities Report

The third and final Vista contest of the year went very well!

GLSMA Report:

- The Lafayette Escadrille had a 2 day contest
- Swap meet was held last Saturday morning.
- The Extravaganza went well.
- Daily usage was reported to be sloppy with foamy's hitting the pavilion and big helicopters hovering over the runway

New Business

Club Officers are up for vote at the next meeting. A summary of officer positions is in the bylaws. We have 1 nominee for all positions except Treasurer. Ed will have a nominee by the next meeting.

Phil Moore will no longer be the Club Web Master. Our current web site is on Phil's personal site and the club will have to come up with a new one. The cost has been estimated at \$48/year. We were using Phil's site for free. It was briefly discussed whether or not we need the Web Site but it was decided that we do.

Dave Evans will relinquish his duties as Newsletter editor. A volunteer is needed.

Indoor Flying will begin on Thursdays, starting November 6, at 9:00PM. Cost is \$10 per session.

The annual Christmas Party was discussed. The restaurant La Chavez was suggested. We had it there, the year before.

Meeting was adjourned at 7:57 pm.
